Blacksmith Shop (site)  
8817 Wise Avenue  
Sparrows Point

early 20th century

A large shed and annex of frame at the intersection of Wise Avenue and North Point Road housed the last smithy in Patapsco Neck. The last operator, Frank Kluza, closed up and advertised the equipment for sale in the classified pages of March 18, 1972 (Sunday Sun). The shop was demolished the next year to provide a parking area for an adjoining bank.
